PLEASE NOTE:

- These jeans fit on the slim side since non-stretch denim stretches considerably with wear. If you would like a looser fitting jean or are using a stiff or heavyweight denim, **please go up a size**.
- If you are in between sizes, **please go up a size.**
- The final waist measurement provided is several inches larger than your waist measurement because it sits several inches below your narrower natural waist.
- Cropped inseam for all sizes is 28.5" / 72cm and 31.5" / 80cm
